

Eastside Domestic Violence Program Shelter & Program Wish List

Think about the items you use in your home every day: Laundry detergent, batteries, kitchen items, cleaning products, etc. These items make your life and home a clean and healthy environment. When a family flees their home to a safer place they often leave everything behind. Your donations are greatly needed. To donate goods to EDVP's programs and shelters, please contact the EDVP donation line at 425-562-8840 x-354.

Note: we are only accepting new items. If you have used items you would like to donate please consider donating them to **Eastside Community Aid Thrift Shop** located at 12451-116th Ave NE, Kirkland or call them at 425-825-1877. Mention EDVP and they will make a financial donation to EDVP in return for your donation.

Cash
